### DETAILED ACTION

The reply filed on October 22, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

All Amendments received by the Office on or after July 30, 2003 **must** be in compliance with the rules as required by the Revised Amendment Practice, which requires that an amendment document include **separate** sections for amendments to the claims, drawings, specification, and abstract, **each beginning on a new sheet of paper**. (See revised 37 CFR 1.121). Applicants' response filed on October 22, 2003 contains the section, "Response to Arguments" and the arguments on the same page as the claims. This is improper since the claim section requires a separate section of its own. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
